### Meet Chelsea

Chelsea concentrates on many aspects of residential real estate transactions. She represents buyers, sellers and developers in the acquisition, sale and development of residential real estate. Chelsea concentrates on the drafting, review and negotiation of Purchase and Sale Agreements and confirming/tracking clients' mortgage commitments with their lenders.

Chelsea is from Princeton, MN and currently resides in the West Roxbury/Dedham area.

### Outside the Office

Growing up in Minnesota instilled in Chelsea a love for the outdoors. To this day she enjoys fishing, boating, skeet shooting, hiking and camping. During the colder months you can find her watching a hockey or football game or getting lost in a book. Since moving to Massachusetts, she has become what some might call a "beer snob" and is interested in brewing her own beer!

### Background

Before working at Ligris, Chelsea worked at a biotech start-up in Cambridge. She has also worked in an assisted living home in Minnesota while attending college and has volunteered at the Middlesex County Probate Court while in law school.

### Why Chelsea?

Chelsea thoroughly enjoys assisting clients in all aspects of the purchase and/or sale of property. As a self-described "people person" she enjoys having the opportunity to communicate with clients, brokers, and attorneys throughout the entire transaction.
