Meet Katie

Katie primarily focuses on representing buyers and sellers in residential transactions, including drafting, reviewing, and negotiating purchase and sale agreements and confirming lenders' mortgage commitments.

Outside the Office

In the summertime Katie loves soaking up as much sun as possible at the beach, the pool and her family home at the Cape. Each summer she organizes a Charity Annual Memorial Golf Tournament in honor of her late brother and father that she is extremely passionate about. Katie enjoys a good glass of wine with friends and spending time with her son and their two dogs, Gus the Great Dane and Ollie the black lab.

Background

Before joining the team at Ligris, Katie worked as a Deputy State's Attorney in Vermont prosecuting criminal cases ranging from DUI to Murder. For the past 10 years, her practice has focused on all aspects of real estate, from zoning to foreclosure to purchases and sales.

Why Katie?

Ligris is an exceptional team of legal professionals. From my first day with the firm, it is clear that the focus is on people. For Ligris, that means treating their employees well and building great client relationships. I am honored to be a part of the team.
